Coach DeJulio

Coming off a 1-9 season in 1979, we were optimistic but never dreamed we would be 6-3 and win a Northern Tier League Championship. Although winning a chanpionship is very rewarding, the thing I will always remember is the unity these young men displayed. This team was made up of totally unselfish players. Our captains, Tom Babcock, Dale Campbell, Tim VanDyke, and Steve Yeckinevich, all did an excellent job keeping the morale and spirit up. We had a few chances to fall apart, but we kept working hard and fighting back and the end result was a championship.

We had alot of fun this season and many of those good times were because of Phil Kelly. Even though he was playing in constant pain all season, he kept everybody loose, especially the coaching staff. The times he broke us up are just too unnumerable to mention. He did keep us from losing sight of why we play this game and that's to have some fun. All too many times we get caught up with winning. Winning is nice, but I think we all got a lot more from this season than just winning. We spent many hours together and formed a bond that only a group of athletes can form and that memory will last forever.

I cannot think of any sad memories this past season. Of course, we lost a couple we could have won, but we kept coming back. If you can honestly learn anything from losing, I think we did. It's not something you can put your finger on, but I feel we all are better people for it. Playing football is a very simple thing, but at the same time, very complex. The range of emotions alone calls for a football player to be a special person. Losing is a part of that and it takes very special people to handle it and we had some very special people.

Speaking of special people, I would like to publicly thank Ray Tippet for all his time and effort. His expertise was invaluable to all of us. I know the coaching staff learned quite a bit concerning injuries and he certainly took a burden off of us. Once again, thanks Ray.

There are so many people I would like to thank that the list is endless. One man or one player never won a football game. It takes great effort by many people and to all of you who were a part of this, my sincere thanks.

Obviously, we will always remember the championship and beating Sayre, 6-0. But we did many things together that people did not see. Those things will stand out in my mind about the 1980 Athens Bulldogs football team. I can honestly say that I had a chance to work with and coach the greatest bunch of young men I have ever been associated with. I also worked with an outstanding coaching staff; Rege Mulkerin, John "the Wizard" McCauley, Cliff Gigee, and Denny Thomas. Thanks for a great job.

Finally, I would like to say good bye to our seniors. I'll always remember this group, not just because they turned things around for Athens football and won the championship, but because of the type of people they are. I feel very confident that these young men will do well in whatever they choose to do. To Tom, Dale, Scott, Mark, David, Rick, Phil, John, Todd, Bob, Tim, Scott, Steve, I wish you best in everything. Thanks for the memories.

FOOTBALL CHEERLEADERS OF A.H.S.

Miss Little was asked several questions about the 1980 Football Cheerleading Squad. The first question about the most rewarding thing that happened was as follows; " . . . that school spirit had returned to A.H.S. — spirit that was partially responsible for a Co-NTL Title. Without it, the team would never had made it". She also stated that " . . . with cooperation, hard work, and proper leadership, anything can be accomplished."

Several items were listed by her as the funniest things to have happened this year. Several of them are; the time when Mr. Tuvvs lost his pants during a rehersal for the Sayre Pep Rally, the Bulldog song sung to the "Brady Bunch" theme song, and the food that the cheerleaders were never to have eaten. Others include Mark Orshaw cooling — off after the Sayre Game, Miss Little herself being thrown into the pool and liking it, finding out that helium was really hydrogen, and the reaction of the football coaches after finding no one waiting for them after the Wellsboro football game.

Miss Little listed only two things as being depressing. She mentioned that the unheated return bus trip from the Canton game, with everyone wet and cold was one unpleasant occurance. The other incident was watching a team lose while knowing that the players had the ability to win, and then wondering what could have been done to enlighten them.

Miss Little offered special thanks to Mr. Mulkerin, Mrs. Ada Kinsley, the parents of all the cheerleaders and especially to " . . . all my girls — who worked so hard."

As things that she will always remember, Miss Little listed these. "The willingness to work hard for a goal, the girls' leadership, and responsibility traits shown on the return trip from Canton, and the coachs' reaction to the newly-found Team Spirit.

Miss Little and Mrs. Yanuzzi

Coach Yeager

After a satisfying season of 8 wins and 6 losses, Coach Yeager was asked by the yearbook staff many questions concerning his team. For the first time in 4 years the girls basketball team won 8 out of 14 games. Coach Yeager said he was happy to win more than they lost. When asked what his most rewarding experience was during this season he answered that winning against a good S.R.U. team 50-48, and having Cindy Gregory and Colleen Pietro being named Atheletes of the Week by the Towanda Daily Review pleased him. Another occurance that pleased him was having Cindy Gregory, Colleen Pietro, and Kathy Bok Selected Atheletes of the Month during this season. The Coach said the seniors helped to pull the team and themselves together for a winning season, for this reason, he considers the seniors his most valuable players.

Throughout the season, both good and bad things have happened. Miss Pierson rode the bus for the first time and it broke down! This had been considered amusing to both the coach and the team, but when the team was told that they had to find their own transportation home when the bus broke down going to the Sullivan game, the incident was looked upon as "depressing."

When asked who were the funniest players, Coach Yeager answered, 'Jan Rowe and Tammy Bryant because no player knew what outrageous outfits they would show up in on the bus to the away games'.

Coach Yeager would also like to present a special thanks to Assistant Coach Karen McKormick for her time and effort given to the Junior Varsity. Also, a special thanks to the managers and the Blue and White Club. Coach Yeager feels that the unselfish play of the girls to make their team a complete team will always be remembered by him. Coach said the team meeting after the first game with Towanda contributed most to the team moral.

His last comments to the seniors were, "You made it all worthwhile, and good luck in the future."

Get the rebound, Cindy

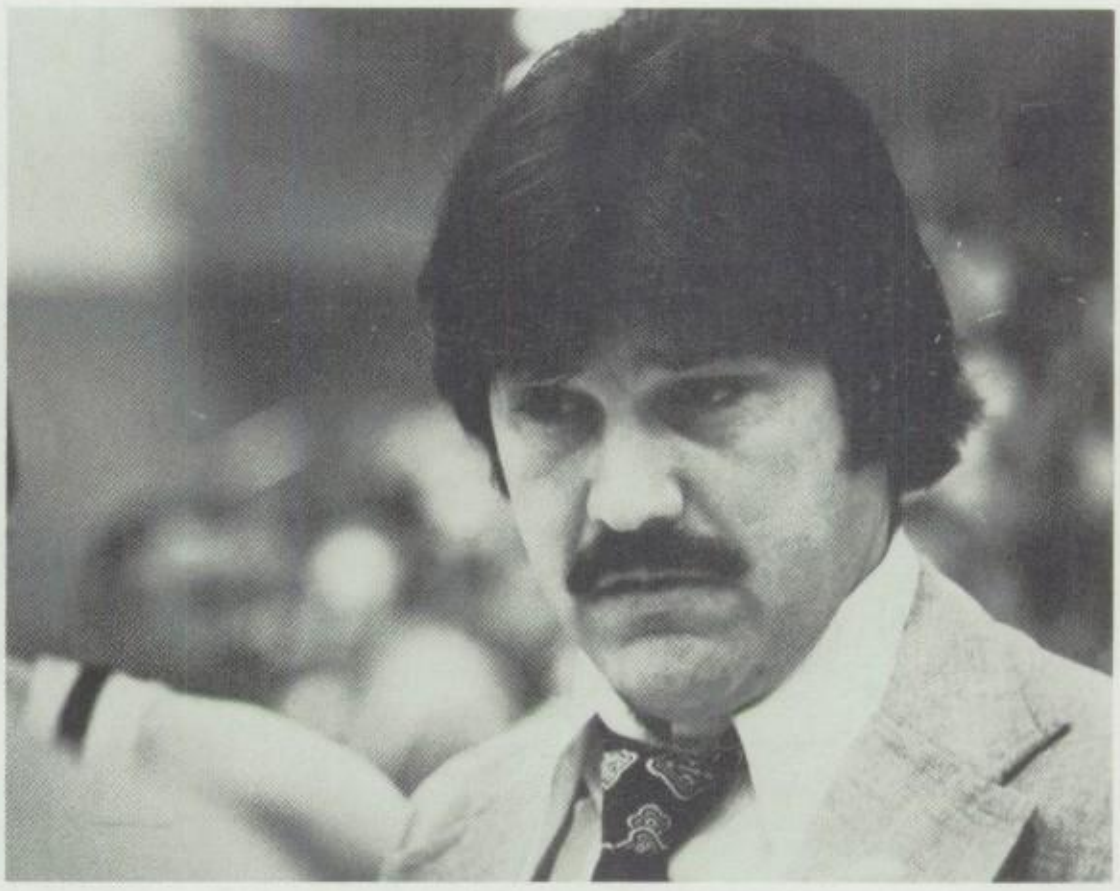
Watch the ball Kevin



Coach Taylor

The 1980-81 basketball season was the most enjoyable season that I have had since becoming the Athens basketball coach.

Our style of play this year was different from years past. We were a very small team so we concentrated on running and pressing. This I feel we did very effectively. Our final record of 19-8 (13-1 in the league) was due mainly to this style. Although we did not win the NTL Championship, the players can be very proud of the fact they defeated a fine Northeast team on their court to snap a 23 game winning streak.

To the graduating seniors, Tom, Kevin, Scott, Bob and Rick I'd to say thanks and wish you luck in your future endeavors. Keep that "winning attitude."

The J.V. and Varsity cheerleaders singing our Alma Mater

Halftime entertainment by the cheerleaders' captain Angela

CHEERLEADERS

Varsity Cheerleaders — T-B Becky Callear, Sue Patton, Jennifer Fragneto, Angela DellaCorna, Jackie Bradley Standing L-R Tammy Hughes, Debbie Keir

J.V. Cheerleaders T-B Leslie Edsall, Casey Kaplan, Regina Hill, Alesia Crum Standing L-R Laurie Hall, Collette King

When you look back at these pictures, I hope you all remember the good times the 15 of us had together this season — the first days of practice teaching the new J.V. squad chants, practicing, (and practicing!) for the Tournament Competition (you're #1 in my book!), learning your Pom-Pom routine in a record two weeks (Celebrate!) and even cheering with another school's cheerleaders ("Let's Rock").

You pulled together when the going got tough and even put up with showing your new advisor "the ropes"!

Most of all, you should be proud of the loyalty and friendship you gave to the basketball team. I was glad to be apart of such a fun-loving group. You truly represented your school well.

Thank you all for all your help and best of luck to our Seniors Angela, Becky, Jackie and Tammy — you're the greatest!

Miss Yanuzzi

A.H.S. WRESTLING TEAM TAKES SECTIONAL TITLE

The wrestling varsity coach Mr. Grego was asked what was the most rewarding thing that happened during the 1981 wrestling season. His answer was, Beating Waverly on the score board "finally".

When asked who his most rewarding players were, he answered, Ken Frisbee, and Bob Johnson, because they both reached the state level competitions. His unhappiest moment was loosing to Canton by one point.

Mr. Grego would like to give special thanks to the Secretaries. When he was asked who most contributed to the team moral, he answered "The Excellent Team Effort". Finally he was asked about the team record, it was 12 wins and 3 losses. He said that it made him very happy because the A.H.S. Wrestling team regained their Sectional Crown.

Mr. Vosburg

The Athens H.S. Boys' Swim Team had a record this year of 7 wins and 6 losses. The season was one of the more successful ones despite the record. It was enjoyable having a team work and improve as much as this year's team did.

Bryce Kimmel had a very rewarding year. He swam well enough to break the Athens' team record, as well as pool records in many of the League schools. Bryce also shattered the district IV, 100 yd Breaststroke record on his way to Athens boys' only swimming champion. Along with Bryce, Mark Watkins, Bruce Stewart, and Jim Tidlow qualified for a chance to compete in the State meet held at Penn State University. While competing in the Medley Relay at State College, they broke the school record. Congratulations on an excellent performance by Mark, Bryce, Bruce, and Jim.

The moral of the team was good this year with everyone performing their personal best almost every time they swam. The freshman swimmers did a super job of helping the team. We look forward to even better performances by Dave, Chuck, Jerry, Lance, Jamie, and Rob next year.

Juniors David Stark and Jerry Sheehan performed well toward the end of the season, and are very positive on continuing where they left off for next year. With most of

this fine group of swimmers returning next year, Athens could be as strong as they have ever been.

We will miss graduating seniors Jim, Todd, and Brian O'. To these three young men, along with the rest of the graduating seniors, I would like to wish all of you luck in entering the "outside world" in these trying times. Attempt to absorb the good things, endure the hardships, and learn from both. There is something of value to grasp from every experience. Make all of your experiences learning ones.

Mark and Lance getting ready for a victory

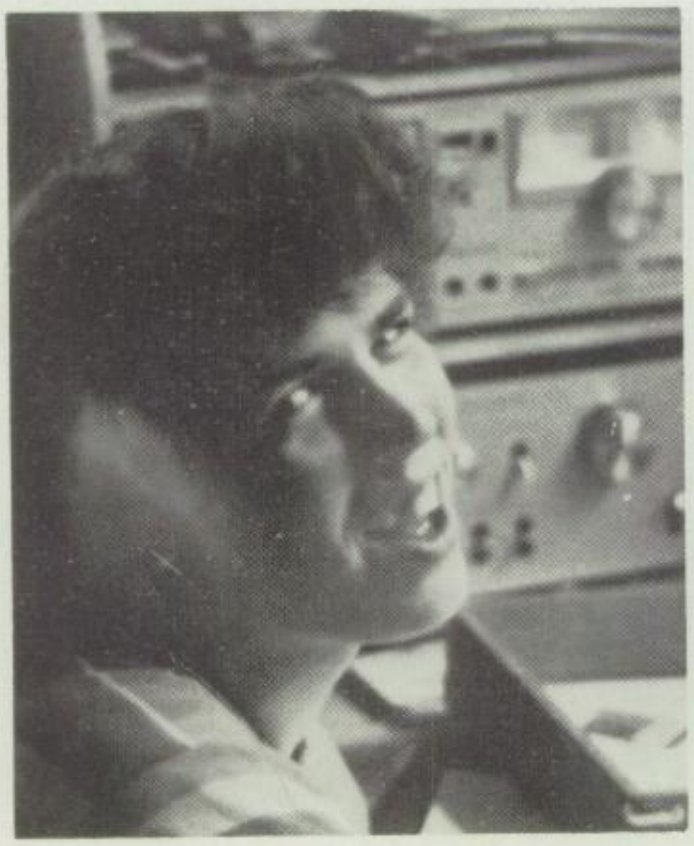
Back Row (L-R) Colleen Ford, Beth Neiley, Becky Pises, Stacey Johnson, Connie Ford



Coach Gable

The girl's seasonal record was 2 wins and 12 losses. However, this record does not judge the *"QUALITY"* of our team this year, just the *"QUANTITY"!* With only eleven girls, it is nearly impossible to beat the teams composed of 20 or more swimmers. Even if we won "every" race with a first place finish, we still can't win! The 2nd, 3rd, and 4th place points add up to 9 points whereas, you are only awarded 6 points for 1st place.

"There is *alot* of talent on the team . . . just very few in numbers."

For me, the rewarding part was just watching the "improvement" in every girl *all the way through* the season. I'd have to say that the "whole" team was rewarding in that they gave me 100% and were an all around enjoyable group of girls to work with.

One of the many funny things that happened during the season had to be when Adriana Tapia false started in her race and didn't know "What in the World" happened. We were trying to explain what and why but to no avail. When an offical of the meet began fluent "Spanish" . . . SAVED THE DAY!

On the sadder side of the story, after 4 days of diving in her life, Stacey Johnson was diving to gain team points, at Central Columbia, the required dive Stacey had never done. Bless her heart, she did it and came out black and blue.

I'd like to thank my whole team for making my first coaching experience enjoyable and fulfilling one! Their enthusiasm and willingness to learn will always be remembered.

Those "CRAZY TENTH GRADERS" contributed greatly to the team moral. The seniors (Becky Pises, Kathy Bok, and Adriana Tapia) will most certainly be missed . . . we all wish them the best of LUCK!

HOW???

Brian Daskam Checking Out The Plays

The Athens High School's 1981 Baseball Team finished the season with 13 wins and 8 loses. Their Northern Tier League record was 10 wins and 4 loses, good enough for a second place finish in the eight team league. Wyalusing won the league and Athens split their two games with the champions.

Most teams would be happy with the above record but we feel anything short of the championship is a disappointment. Excellent performances by Scott Smith, including a no-hitter against Northeast and outstanding hitting by John Northrup and Jim Tidlow highlighted the season. Todd Minier won the award for the most improved player with a great effort.

One of the most funniest things that happened was Jim Tidlow, playing leftfield, chased a well hit ball in the corner across the track. When he went to throw the ball in to the infield, he hit the flagpole giving the batter a homerun.

We had several injuries and disappointments but one that hurt us a great deal was during a practice session, Rick Houseknecht, playing first base had his foot stepped on, breaking a bone. He was in a cast the rest of the season. At that time his pitching record was three wins and one loss and he was hitting the ball real hard.

Although there is an excellent nucleus to build the 1982 team around, this years graduating seniors will really be missed. They never complained, and were cooperative at all times, displayed good sportmanship and above all, they were gentlemen.

Coach Keir

How Far Can You Throw It?

The 1981 girls' track team ended their season with a 9 win 6 loss record. This team was only defeated by three schools in the league. We lost to Towanda three times (who ended up third in the state), Wellsboro twice and Troy once.

The most rewarding aspect of the season came as five school records were broken. Sophomore Sue Haggerty broke three of these records. Sue's events included all of the throwing events. Sue was able to attain her goal by setting records in the javelin, shot and discus. Sophomore Maureen Ball was able to complete the 100 m hurdles in a time of 17.1 seconds. This also put her name in the record book. Junior Debbie Keir bettered her own record by setting a new school record in the triple jump.

Sue, Maureen and Debbie must be considered as three of the most rewarding players, but I would also like to present Beth Neiley as the "most coachable" team member. At the district meet held in Williamsport, Beth was able to clear a career high of 4' 10" while competing in the high jump. Beth was always asking for her at practice to improve herself. Once Beth knew what she was doing wrong, she would correct herself and successfully complete her goal as a jumper. Beth is a sophomore with two seasons ahead of her. Other team members I would like to mention as consistent point scorers for the team are: Cindy Brown, Stacey Johnson, Lori Sallade, Connie Ford, Terry Pond, Cindy Kissel, Laura Carberry and Mary Lyons.

I would like to thank the team members for their co-operation and effort, Lucy Parsons for helping, Colleen Pietro for keeping score, and a special thanks to all of the faculty members who worked at our home meets. With no senior members on this year's track team, you can be sure that Athens will be well represented for the next few years.

SPRINT!!

A.H.S. GIRL'S SOFT BALL

The Athens High School Girl's Softball Team's season ended with a record of 1 win and 16 loses. Mr. Whitmer's feeling toward this record was disappointment. One of the saddest events that happened that added to Mr. Whitmer's disappointment and to the team's disappointment was losing to Sullivan in extra innings.

Teresa Yeaomans was rewarded the most rewarding player. Mr. Whitmer also stated that he would like to thank Lori Knecht for "sticking it out even though she had no uniform."

Mr. Whitmer's most remembered moment of the 1981 Girl's Softball Season was receiving the "Carp Award" for the fifth time. This award is an award presented to the coach with the worst season.

Finally, Mr. Whitmer would like to say the seniors "thanks for being a part of us. We'll miss you!"

First row (L-R) Lori Knecht, Ellen Lowery, Jeanie Estes, Robin Kinner, Dian Johnson, Carol Welch, David Wardrop, Second row (L-R) Mr. Whitmer, Dawn Lane, Linda Gray, Bonnie Welch, Rosemary Wood, Connie Payne, Michelle Cain, Mr. Wardrop, Third row (L-R) Teresa Yeomans, Brenda Donovan, Laura McAndrews, Lisa Edsell, Ginny Kissel, Stacey Macafee,

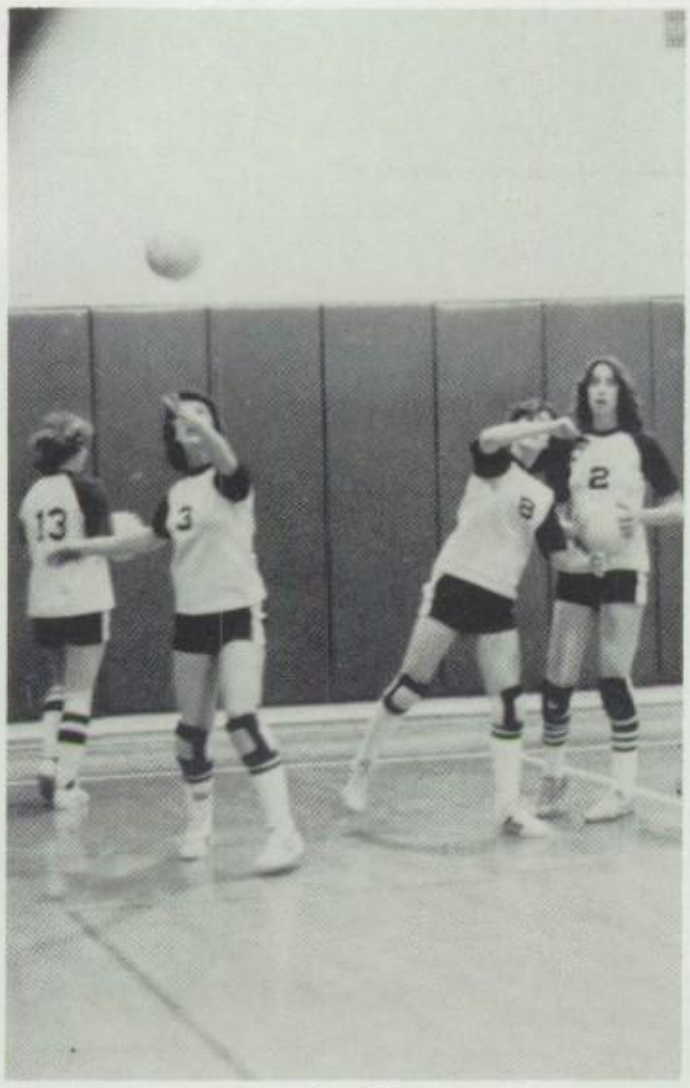
Tug Girl's Tug!!



Practice Time

A.H.S. GIRL'S VOLLEY BALL

"Patience" was the name of the game for the 13 girl's who represented the 1981 Varsity Volleyball Squad, Although the girls finished with a six win seven loss record this was a year for teamwork and applying advanced skills.

Our record does not indicate how competitive this team really was, just a few more breaks to our advantage would have made a big difference in our league standings.

The team depended on their three year varsity starter and this years team captain, Kathy Allis. While on the court Kathy proved herself to be a leader with controlled "sets" to her spikers and sewing a strong 87% of her serves making her one of the teams leading scorers.

The match I am sure the entire team will remember was our trip to Wyalusing. Of course the members will remember this as while they watched the J.V. match they acted as cheerleaders spelling "ATHENS" with their legs, then tying their shoelaces together to walk out with before the match. And of course nobody will forget the varsity games there as "none of us knew what was going on." Then of course everyone will remember their Home Economics room.

Team members to be recognized are; sophomore sensation Cindy Gregory with her powerful serves. Juniors Debbie Kier and Lisa Edsell starting in the front line attacking with their spikes. Junior setters Valerie Bok and Debbie Staton "setting" these spikers up, Seniors Kathy Allis, Colline Pietro, and new-coming seniors Kathy Bok and Lisa Walker leading this young squad. Other members of the Bulldog squad fighting for a starting position were Michele Brown, Linda Gray, Connie Payne, and Brenda Donovan.

One thing I would like to tell the seniors is, don't expect any more from this world than you're willing to put into it; think something of yourself, and remember that major accomplishments are made by individuals like yourself.

ADRIANA TAPIA — OUR MEXICAN FRIEND

DISTRITO 419 MEXICO
Programa de Intercambio Internacional de Jóvenes

IRMA ADRIANA TAPIA BORREL

Reforma Sur No. 331, Desp. 7 **Tel. 2-01-26**
Tehuacán, Pue., Méx.

During this school year Athens High School has had the pleasure of hosting Adriana Tapia Borrell as a Rotory exchange student from Mexcio.

Adriana's family of five consists of one brother, Marco Antonio, one sister Cynthia, her mother Irma and her father Hermilo. Her father is an industrial businessman and also owns a ranch.

While at Athens, Adriana practiced her favorite hobby — swimming, and joined the Athens High School Girl's Swim Team. Going to fiestas and rodeos, horseback riding, volleyball, and taking long walks are some other hobbies of Adriana.

When Adriana first arrived at Athens she spoke very little English. In her interview with the Athenian Staff Adriana mentioned that her American families were very helpful in teaching her the first lesson in English.

Adriana's bubbly personality and smiling sweet face was accepted by the students of Athens High. She was elected Christmas Ball Queen and the moment will always remembered by her.

During the interview Adriana was asked what she liked most about Athens. She commented, "the way I was recieved by Mr. Salpino, the teachers, and most of students." Mrs. Murphy is Adriana's favorite teacher because she was very understanding and she helped her a lot when she needed help the most.

Adriana said she will always remember the Rotory Club, her families, teachers, fellow students, and all of the dear friends she has made during her stay. She is understandably anxious to go home to her family, and to see again her best friend Erika.

Athens High will also miss Adriana; her redundant smile, her friendship and her courage to come to a strange school and country to become a friend to so many people in one short year.

A Special Thanks

As the year, 1981, is now coming to a close, the senior class would like to dedicate this page to Ms. Kowalek.

Ms. Kowalek, the advisor of the class of 1981, has been very special to us. She began her position as an inexperienced advisor while we were newly confused freshman. She guided through the most important years of our lives by organizing the class, and bringing them together.

Ms. Kowalek, we will always remember your sweet ways in everything you've done. We would like to say thanks for being our advisor, our friend and specially, "thanks" for being you.

Time Out To Cool Off

"I hate School!"
That's a common saying
We just couldn't wait
Until our graduation day came;
But now that it's here,
Are we really that glad?
We all know they'll stay in our hearts,
Where the good memories start.
No more Proms or Christmas Balls.
No more roaming throughout the halls.
That's O.K., Sure we're sorry.
We've got a lifetime to live.
And we are not in a hurry.
The memories of our school years will last forever.
The closeness of our best friend will never stop.
Good-bye Athens, it's time to go away —
Time to take our life day-by-day.

Becky and Todd Dancin The Night Away

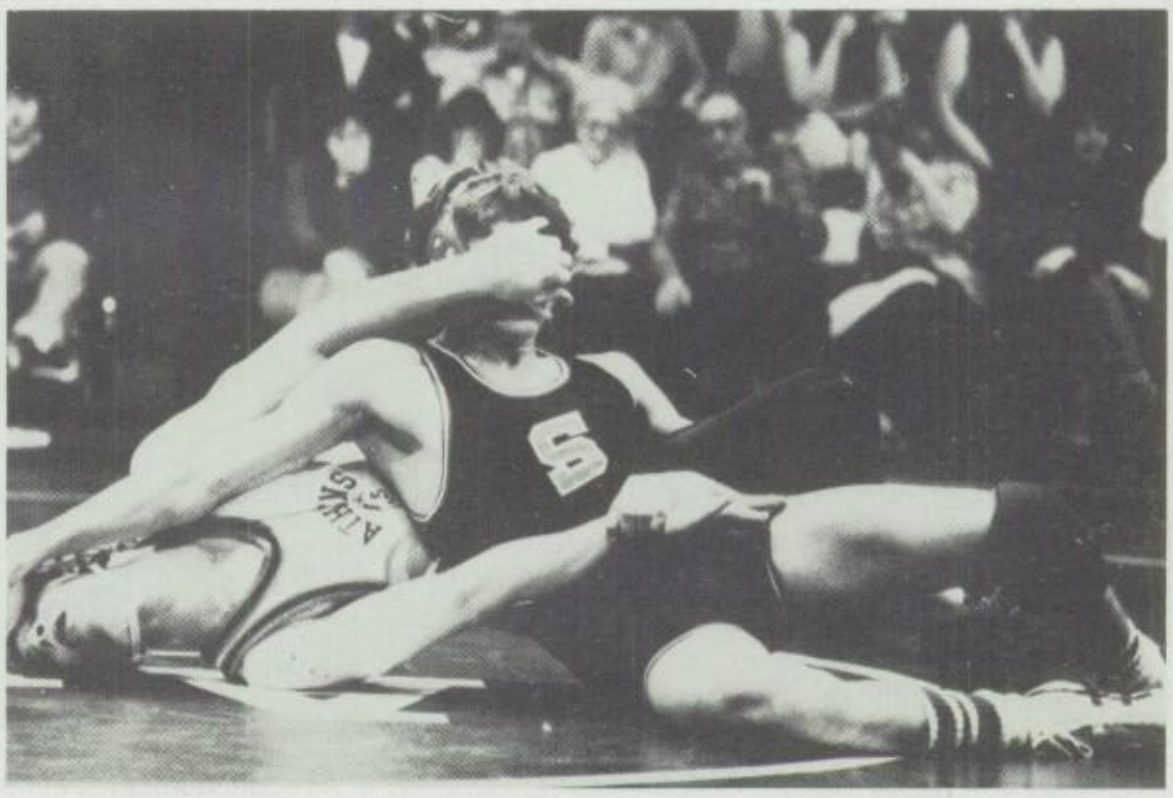
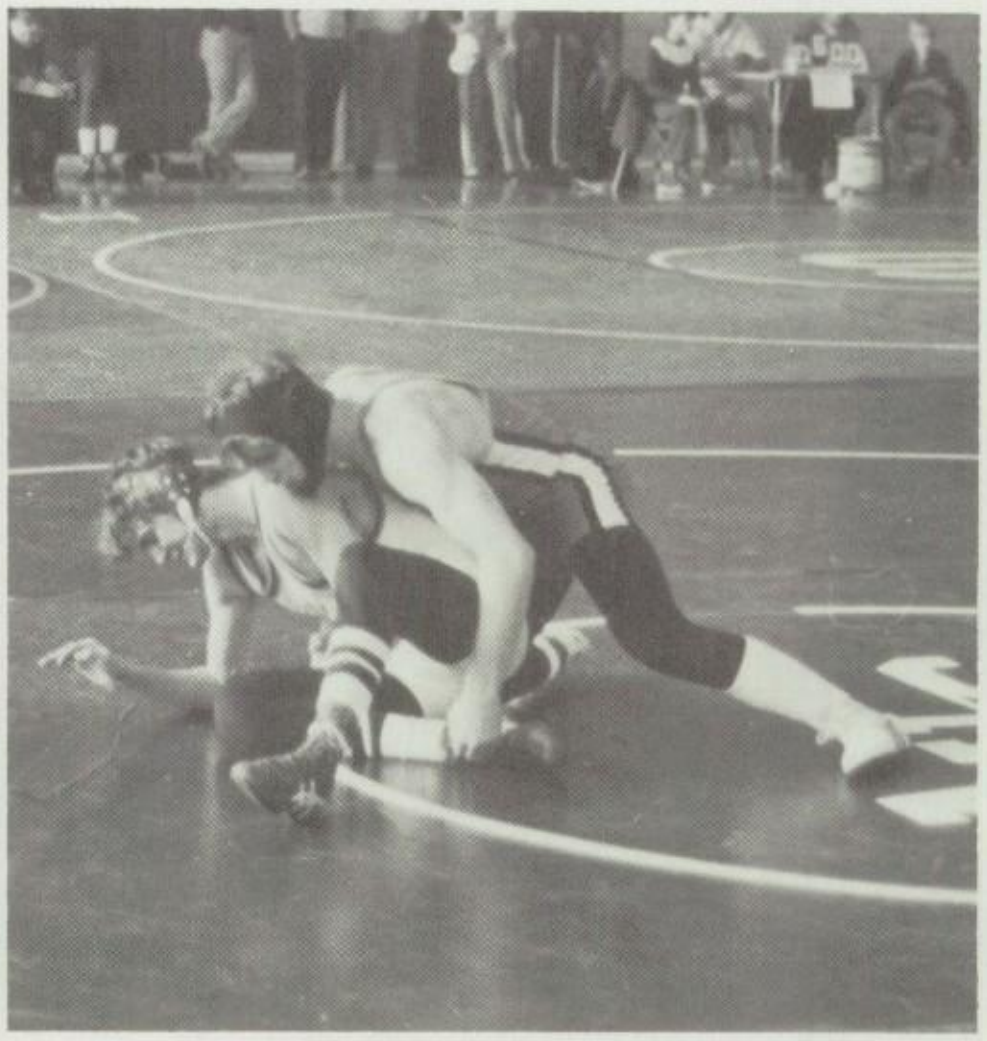
Looks like we got ya, Lorna!

Is it THAT boring?

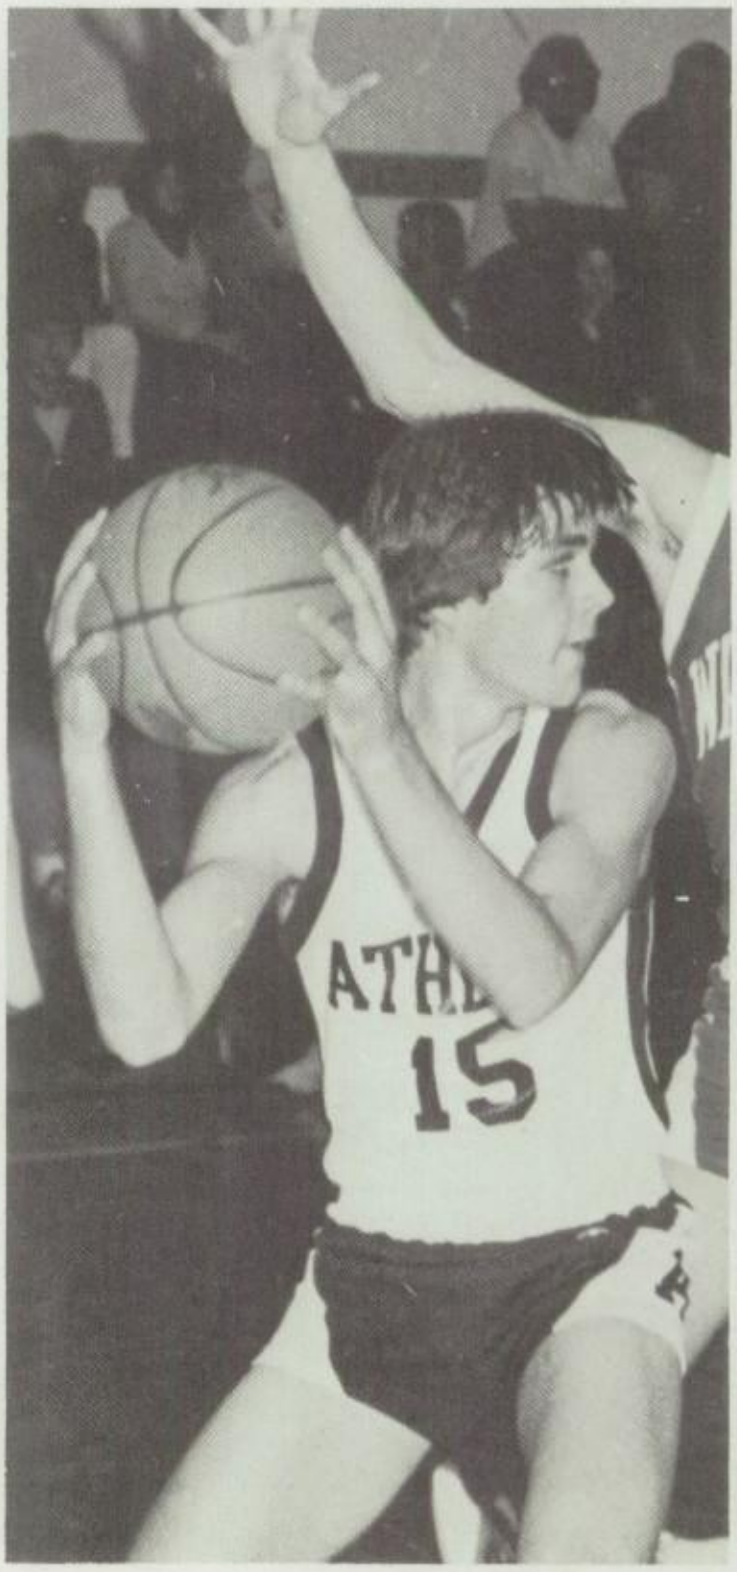


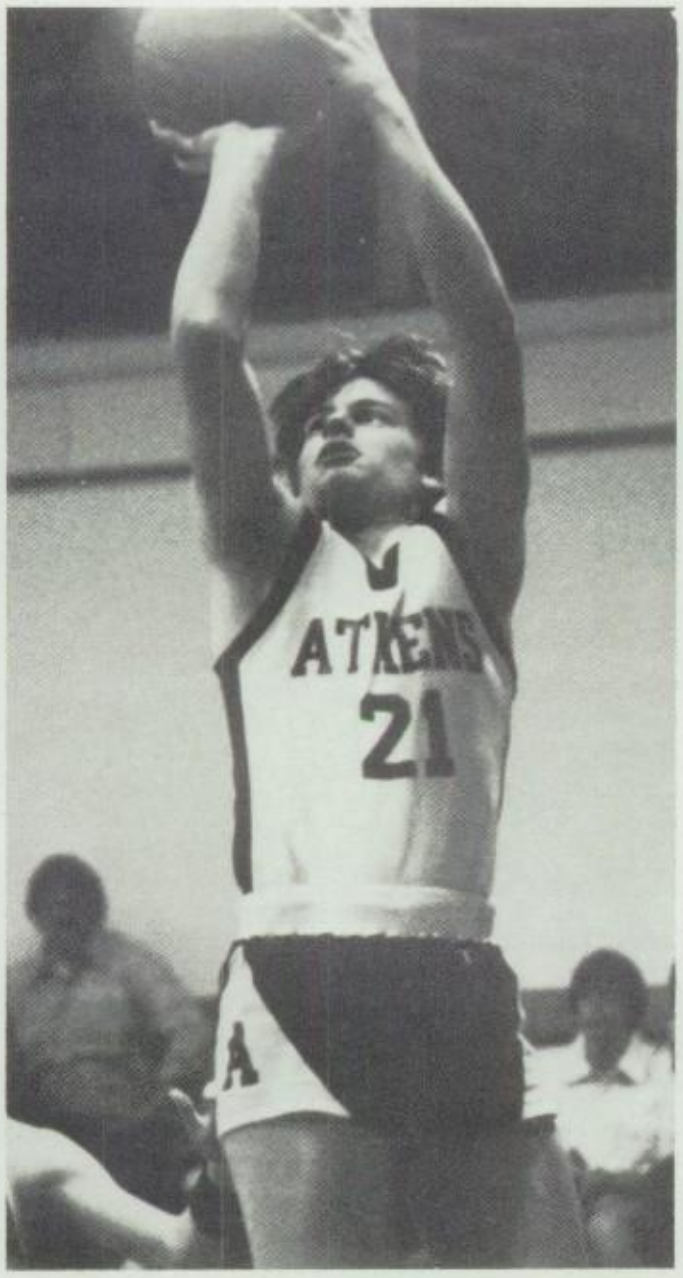
This class is a boring class, right Steve?



Hey Jay, Are you stuck?

Lorna, Diane, Lori practicing for the senior play.

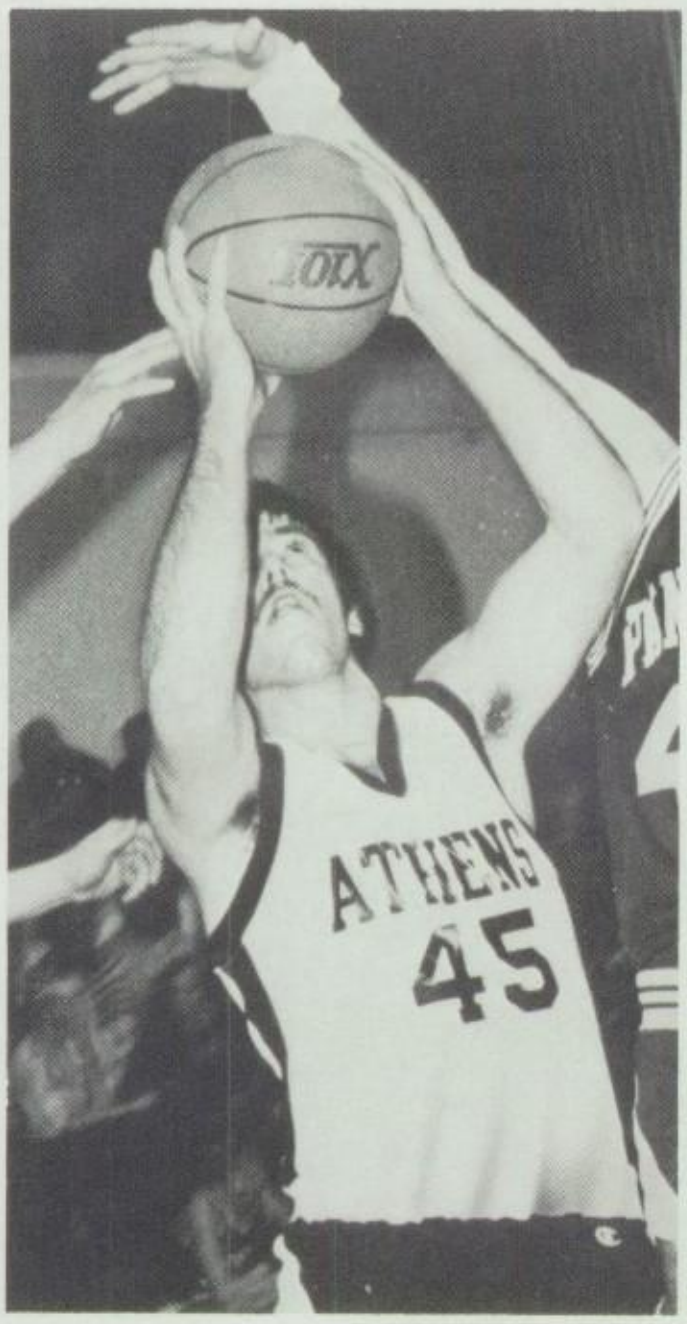


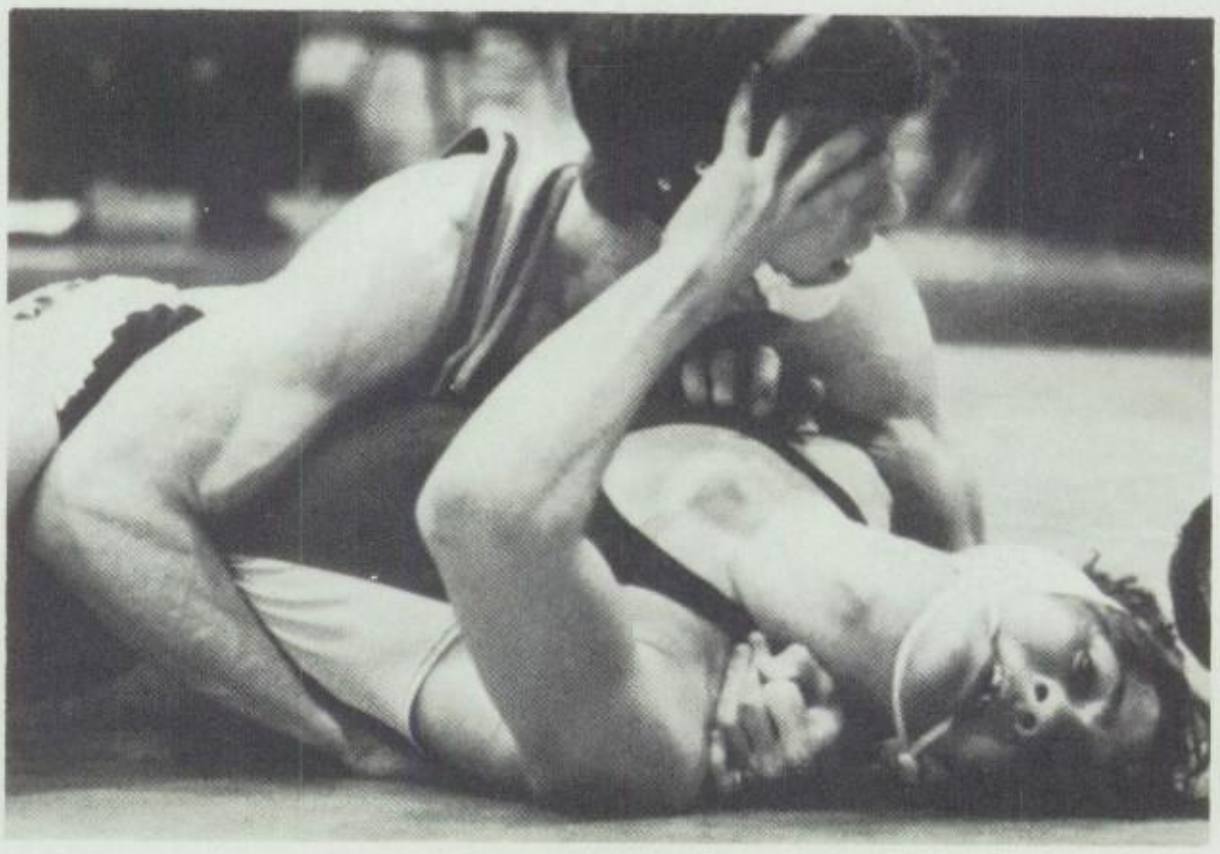


Kevin goes up for two.

What's Happening?

Donna and Lorna, cheering?





Look out world here we come!!

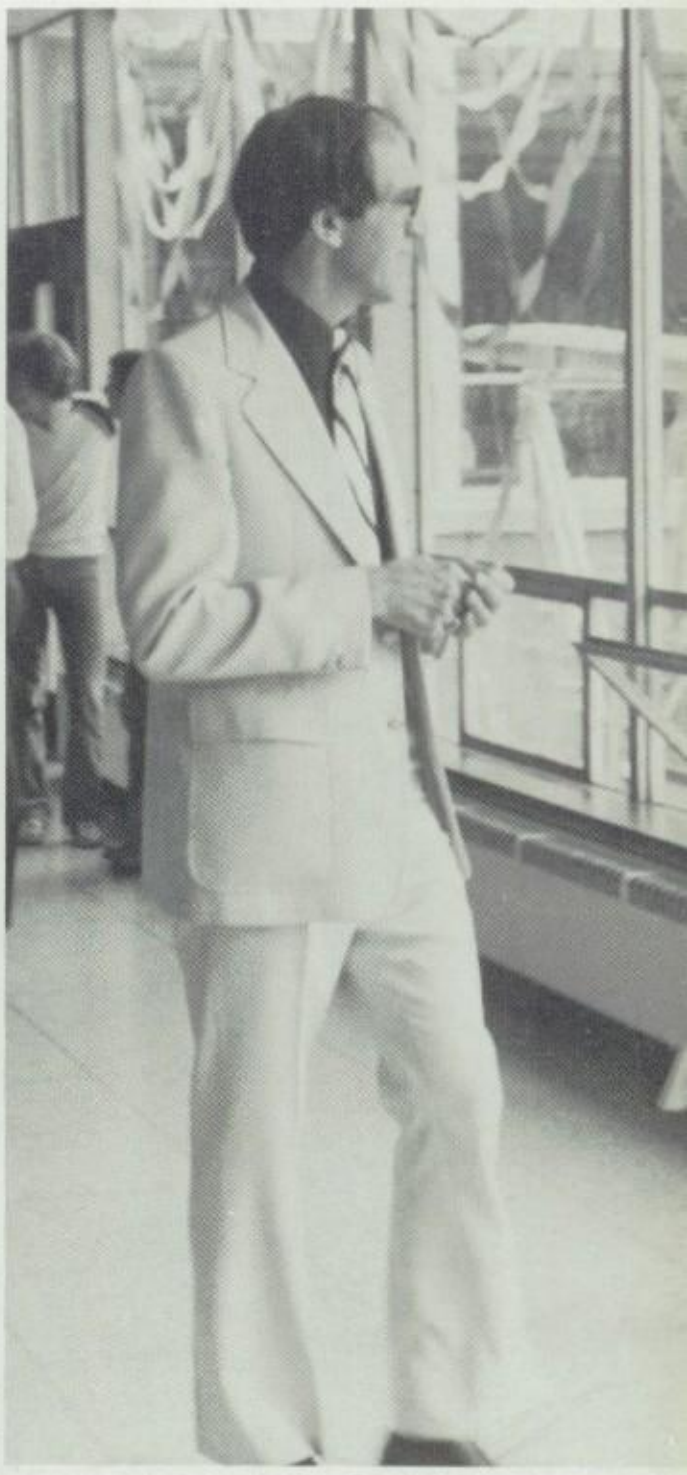
What's the gossip?

Chat session.

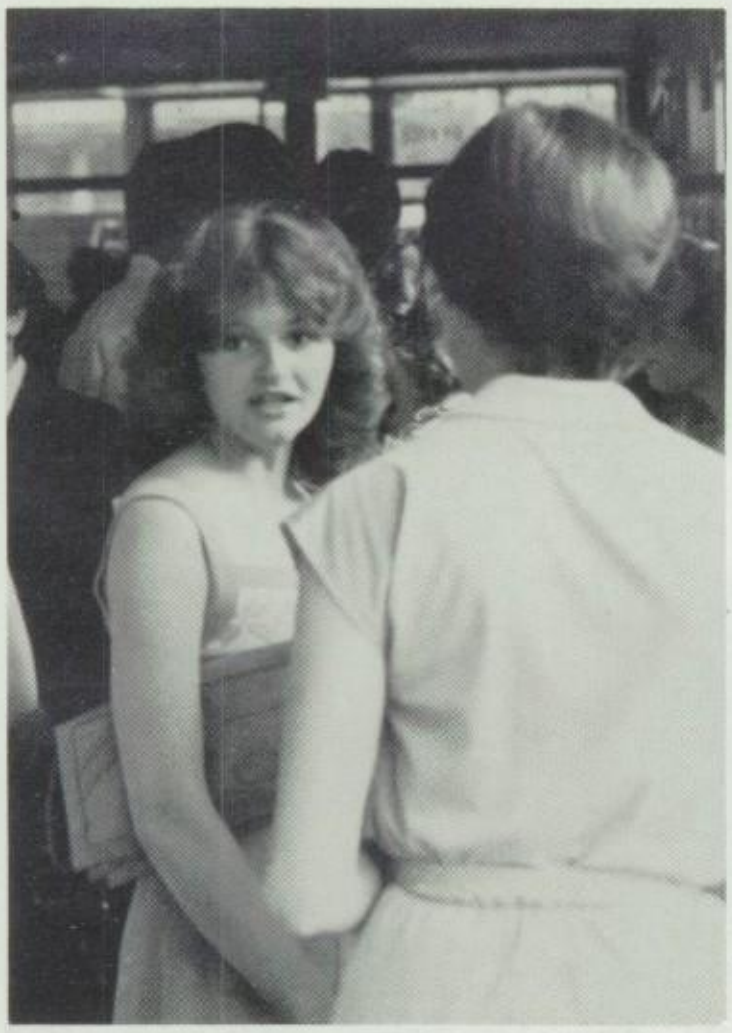
Two little helpers . . .

SENIOR BANQUET

Tam, where Your Spirit??



How's it look Mr. Ceruitti?



Judy, What's your comment?

Bosom Buddies!!!
